Don't allow payment terms to hinder your progress. Our specialized offering, Invoice Financing, is designed to cater to the distinct needs of the businesses we work with. Empowering you to unlock your cash flow swiftly and confidently, enabling seamless progress and growth.

Invoice Financing harnesses the strength of our network, offering a solution that fundamentally transforms how you handle cash flow. With competitive rates and flexible terms, Invoice Financing enables you to expedite payments from any customer invoiced through your ERP, while maintaining control over your customer relationships.

Liberate your cash flow swiftly and confidently with Invoice Financing.

How It Works:

This solution allows businesses to get paid today, rather than waiting weeks or even months for their customers to pay an invoice. This is a prevalent challenge faced by small and mid-sized businesses of all industries. Having access to cash significantly amplifies a business's ability to sustain growth, manage emergencies, and seize opportunities.

We've created a holistic solution aimed at elevating the entire invoicing experience. Onboarding is simple and can be completed in minutes, without uploading documents or sending in paperwork. Once they've chosen an invoice to advance, they'll see cash in the bank within 24 hours, giving valuable time back to business owners.

Seamless 4-Step Process for Financing

STEP 1:

- Click the Need Financing? button.
- Then complete enrollment and link bank account (~15 min). Within 48 hrs. your offers for invoice financing will begin to appear in the ERP.
